- Strong legal drafting, synthesis, and document structuring skills.
- Leadership, organization, client management, and inter-institutional coordination.

MARÍA ANGÉLICA CAMPOVERDE ORTIZ

PROFILE

Attorney with solid experience in comprehensive legal advisory, comparative legal research, and strategic support for companies, international organizations, pension funds, and cooperation projects. Specialist in civil, corporate, tax, administrative, immigration, digital business, and economic regulation.

She has participated in international legal consultancies in Latin America, Africa, and the United States, preparing legislative analyses, regulatory due diligence, compliance reviews, and contractual frameworks. Her public-sector background—as Secretary and Deputy Secretary-Reporter of the National Assembly—strengthened her command of legislative procedures, institutional relations, and public-policy analysis. She combines a multidisciplinary, results-oriented approach with a comparative legal perspective that adds value to high-impact regulatory and corporate projects.
